

Nugget Dog Food

The choice for Happy Dogs and their Owners

J Grennan & Sons is a family owned business. For generations we have been involved in farming and caring for animals. We are now, through the Nugget brand, one of the leading producers and distributors of animal feed in Ireland.

We only use the best of ingredients in all of our Nugget feeds and the success of the Nugget brand is testament to the quality of the product and our customer's loyalty to it.

I promise you that we have taken the greatest care in bringing you the very best dog food which should reach you in perfect condition. If you are not fully satisfied or have any queries on it, please contact me or one of our team.
